To Bless the Space Between Us A Book of Blessings Amazon

I love John O'Donohue, and bought this book because I love Benedictus, and worried that his works were going out of print. I was disappointed to discover this is not a second book of blessings, but a retitled Benedictus. Would not have bought it knowing it was the same content. The content is beautiful, but I like the format and printing of Benedictus better.

EWTN com RE Deacon blessings

So again, I do not doubt your research and references but the lack of actual blessings in the published book of blessing and the traditional restriction of sacramental blessings to priests and bishops still makes me reticent to accept a blessing offered by a deacon as equivalent to that of a priest. How could the Church insist for centuries that deacons do not have the priestly power to bless
