[enforce | Definition of enforce in English by Oxford ...](#)
Definition of enforce in English: enforce. verb [with object] 1 Compel observance of or compliance with (a law, rule, or obligation) the role of the police is to enforce the law More example sentences There are also provisions that create statutory obligations to enforce the Act. And how the Supreme Court decides them will be a telling indicator of its commitment to enforcing

[Enforcing Cooperation in OMNs | SpringerLink](#)

The latter portion of this chapter is aimed at detailed study of the design of a distributed scheme for enforcing cooperation in OMNs. Unlike many other existing schemes, the one concerned here is inspired by evolutionary theory and works in the lack of any centralized infrastructure. More specifically, we talk about different information collected by the nodes and how they are processed in
