Ethnic enclaves in North American cities: New York City is home to the largest overseas Chinese population of any city proper in the Western Hemisphere, with over half million. Multiple large Chinatowns in Manhattan, Brooklyn (above), and Queens are thriving as traditionally urban ethnic enclaves, as large-scale Chinese immigration continues into New York, with the largest metropolitan Chinese

North America: Human Geography - National Geographic Society

Immigration is perhaps the most sensitive aspect of North America's political geography. Most immigration is fueled by poverty. People from North America's underdeveloped nations, such as Haiti, frequently immigrate to the continent's developed countries, such as the United States. **States With The Largest Illegal Immigrant Population**

...
States With The Largest Illegal Immigrant Population
Debunking Immigration Myths In The United States.
When it comes to immigrants to the U.S., good people are often mislabeled as "bad" due to stereotypes, xenophobia, and outright ignorance.

Counting Immigrants in Cities across the Globe ...

Counting Immigrants in Cities across the Globe . January 1, 2007. Feature. By Marie Price, Lisa Benton-Short. In cities around the world, but especially in Western Europe, Australia, the Persian Gulf, and North America, immigrants play a fundamental role in the labor force and the social life of cities. For North American and Australian cities, the numbers of immigrants are reminiscent of the
