That will be costly, but your grade will likely suffer if you rely solely on this text. This textbook is far from a complete source to learning physical chemistry at the undergraduate level. If you're a professor looking for a physical chemistry textbook, please do your students a favor and do not choose this text.

Physical Chemistry Laidler Meiser Sanctuary eBook

There is no doubt that the time has come to do away with heavy expensive hard copy text books and use the power of the computer. In addition, today there are many desk-top publishing tools available, so that it is possible for authors to publish their own text books. This is what we have done with our Physical Chemistry text book.
