## Short-Term, Medium-Term & Long-Term Planning in Business

Many businesses develop strategic planning within a short-term, medium-term and long-term framework. Short-term usually involves processes that show results within a year. Companies aim medium-term plans at results that take several years to achieve. Long-term plans include the overall goals of the company set four or five years in the future and usually are based on reaching the medium-term targets. Planning in this way helps you complete short-term tasks while keeping longer-term goals in

## Airport Demand Forecasting for Long-Term Planning - OECD

Decisions on expanding airport capacity are often controversial. Environmental impacts mean airport planning decisions are subjected to thorough public scrutiny even when financed by private investors. Where public funds are to be invested, issues of competition between airports and between the
