[Enlargement of NATO - Wikipedia](#)

Enlargement of the North Atlantic Treaty Organization is the process of including new member states in NATO. NATO is a military alliance of twenty-seven European and two North American countries that constitutes a system of collective defense. The process of joining the alliance is governed by Article 10 of the North Atlantic Treaty, which allows only for the invitation of "other European States", and by subsequent agreements. Countries wishing to join have to meet certain requirements and compl

Nor has there been much attention paid to the impact of enlargement on the functioning of the alliance during the Cold War or to the general role of enlargement in NATO's history. Mark Smith of the University of Southampton merits the appreciation of NATO scholars for shedding new light on the tortuous course of the early growth of the alliance.
