Wild Born Spirit Animals 1 by Brandon Mull Goodreads

Wild Born is the first book in the series Spirit Animals. I loved this book even though there was a lack

of action in the beginning. Wild Born is about four kids who summon the four fallen great beasts that lost their lives when they defeated a villain many years back. People are shocked to find that they aren't dead and that they become four 11-year-olds spirit animals and wonder why the four fallen are back. The storyline is great and I will continue to read the series.

Why we like Wild Born We like the first book of this series because of that fact. The story reminds us of the complex relationship one may have with spirit animals and keep the tone real and yet fantastic. In this engaging adventure, there are a lot of lessons on how to bond and relate to one's spirit animal. Sometimes, it means being challenged and facing our own fears or doubts.
