The dissertation journey a practical and comprehensive

Carol Roberts helps remedy this problem with "The Dissertation Journey: A Practical and Comprehensive Guide to Planning, Writing, and Defending Your Dissertation". This is not a technical manual to help doctoral students through the minutiae of conducting in-depth qualitative or quantitative research. Instead, this how-to manual focuses on the practical aspects of writing and organizing a

The Dissertation Journey A Practical and Comprehensive

A must read book for any postgraduate students. It provides you with the mere basics of writing your dissertation, the most difficult part of the study, from the beginning to the end. The usage of the journey & the mountain as metaphors was really clever and include a very good motivational aspect. The comparison tells a lot.
