The Past Present and Future of the European Union A

It starts with an address by Romano Prodi, President of the European Commission, who sets the tone for the other papers by describing and evaluating two of the greatest accomplishments of the EU: economic and monetary union, and EU enlargement. Other authors deal in detail with various aspects of these and other issues, using a mixture of theoretical, empirical, and other tools.

The Past Present and Future of Software Copyright

For the past 20 years, copyright law in both the European Union and United States has been favorably disposed towards treating interfaces necessary to achieving interoperability as unprotectable elements of programs and towards reverse engineering for a legitimate purpose such as discerning interface information. Controversies over interfaces and interoperability have, however, not ceased. The
