Geographic variation in allergic fungal rhinosinusitis ... Allergic fungal rhinosinusitis (AFRS) has a worldwide distribution. This survey of 20 otolaryngologic practices throughout the United States confirmed a variation in the frequency of AFRS relative to endoscopic sinus procedures performed for all other diagnoses. Lecture No. 7 - Bangko Sentral Ng Pilipinas Mycology for most people is unheard of unless one mentions the word mushroom or fungi and more often than not the study of fungi is considered under botany because they are classified as lower plants.
