What Impact Does Training Have on Employee Commitment and

The American Society for Training and Development found that in 2004, the average annual training expenditure per employee was \$955, which is an increase of \$135 per employee from the previous year. The number of formal learning hours per employee also rose from 26 hours in 2003, to 32 hours in 2004 (atsd.com, 2005). As the investment in various training programs continue to rise, it becomes even more imperative for employers to understand the impact that training has on their organization.
