## Word-Meaning in Legal Interpretation

Word-Meaning in Legal Interpretation by Walter Sinnott-Armstrong (Dartmouth College) When judges decide how to interpret laws, they cite many factors to support their favored interpretations. Among these factors, judges often cite the meanings of the words in the laws and the intentions of the legislators who passed the laws. These two factors have led to two schools of thought about legal interpretation legal definition of interpretation For example, the general definition of a word will govern interpretation, unless through custom, usage, or legal precedent a special meaning has been attached to the term. When a court interprets a statute, it is guided by rules of statutory construction.
